

Gmail / Google Drive integrations

There's nothing more precious than time. That's why LawVu's Google integration enables email and file management continuity across Google Mail, Google Drive and LawVu, giving you more visibility over work and progressing towards a more seamless and uninterrupted workflow.

Gmail integration

- Create matters straight from your Gmail inbox
- Update matters
- Attach documents from email to matters within your email
- See email threads and attachments recorded against matters within LawVu

Google Drive integration

- New files & versions uploaded to LawVu synchronise with Google Drive
- New files & versions uploaded to Google Drive synchronise with LawVu
- Select folders for synchronisation
- Start & stop synchronisation at any time
